

## Steelband entertains

THE STEELBAND never fails to fascinate visitors or those who hear it for the first time anywhere.

It was no surprise, therefore, to find that Esso Tripoli, of St. James had a party of Universal International top executives keeping time with the rhythm, at Piarco Airport on Monday evening.

Mr. Milton Rackmil, President of Universal Pictures and Decca Records Inc., and Vice-Chairman of the Music Corporation of America, accompanied by his wife and Mr. Americo Aboaf, Vice-President of Universal, swayed to the steelband when they passed through on the way to New York.

They were on the way home from Rio de Janeiro and the annual Convention of Universal Pictures.

Universal are releasing 14 top pictures this year and Trinidadians, says Mr. Walter Lambert, head of Universal in Trinidad, will see most of them.

Picture shows Mrs. Rackmil among the steelbandsmen.
