POST CARD.

My Dear Sister in Christ
 Greeting in your dear name.
 Recd. your letter a few days ago
 was glad to hear from you and
 very glad to get the cards, it seemed
 so good to see "good old Pearl St."
 this one I have so many times walked
 through. I took some good long
 looks at it also the Popot. They
 seemed so natural, while looking
 at the picture one could almost
 imagine them selves there.
 We are quite well and getting along
 nicely in the work. The food is very
 good to us in every way for which
 we are very grateful. It is truly
 precious to live in the sweet
 presence of the Lord, where we find
 grace and strength for each
 test and trial. We desire with
 all our heart to be the greatest blessing
 possible to the dear people here.
 We are now in Princes Town 47 miles from
 Port of Spain. Seems quite country like
 up here. The work seems quite encouraging.
 Muir, Marshall & Co. have a good S.P. also many
 see good and quite well attended. We will
 appreciate your prayers. Give my love to
 all others that you see.

The address only to be written here.
