

MIX-UP SIDELINES TOKYO

A MIX-UP by the judges has caused Carib Tokyo to lose the place originally given to them in the Panorama North Zone Competition.

When a recount was done on Sunday, Tesoro Starlift had 443 points which put them in front of Tokyo's 424 points.

Pan Trinbago vice-president Arnim Smith said that the mistake was made by the judges and had nothing to do with Pan Trinbago.

But members of Carib Tokyo are cut-up because in losing their third place, they have also lost the prize of \$3,000.

Carib Tokyo official Carlos Williams said: "We are not satisfied with what Pan Trinbago has to say and we will not be satisfied until we get an explanation from the judges."

FLAG WOMAN

PANORAMA would not be **Panorama** without the cute and curvy flag women. And in this one National Lottery Third World had a sure winner — or should we say **winer**.
