

Taspo Member To Join Band In England

Sonny Roach, member of Trinidad All Steel Percussion Orchestra, who had been left in Martinique to undergo an operation, was successfully operated on and will join the other members of the band in England.

Information to the effect was contained in a letter received by the "Operation Britain" Committee from Miss Beryl McBurnie from Guadeloupe.

She wrote that she was informed that Sonny Roach, who had been a patient at the clinic in Martinique suffering from an abscess in his throat, had a successful operation and preparations were being made to obtain a passage for him on board the Colombe.
