Here we are at our third port
ready to take the tour at 10.30
We sure are enjoying this cruise
and are seeing an awful lot
of the world, it seems. It is very
hot, but there is always a breeze
excepting in the narrow streets
of the towns. Sometimes it's good
to get back to the airconditioned
ship. Spent my half on two Hummels
I have always wanted "boy & girl" with
umbrella. Love Dad & Mom
