The Careenage, Bridgetown, Barbados, B. W. I.

Greetings -

To-day we stopped at  
Nevis. It is a very small  
island without much to see  
or do. It is so hot I got a  
burn standing under a tree.  
To night there will be a  
masquerade ball, and a show.  
The master of ceremony has a  
show every night and he is  
great. We stop at Barbados  
to-morrow. It was told it is a  
beautiful place. Tom's film too  
fine. Love to all

Vickie
