

Panmen want 5 judges

PAN TRINBAGO is making a bid to have five instead of three judges at tonight's Panorama national semi-finals and Saturday's finals.

Panorama semi-finalists voted for the five judges yesterday when they met to draw for positions.

So far there have been only three judges at this year's Panorama. But the organisation hopes to enlist Superintendent Anthony Prospect, head of the police band, who previously said he was unavailable, and Everton Smith.

The judges have been Arthur Watson, Jocelyn Pierre and Merle De Coteau.
