UWI student gets bursary for 2018

ON September 28, The Campus Committee for Undergraduate Award (CCUA) ceremony was held at the UWI Teaching and Learning

Complex, St Augustine campus.

At the event, the Esmé Raphael Bursary for UWI academic year 2017/2018 was award-

ed to Anna-Marie Le Blanc for outstanding achievement in Management Studies.

The award of this bursary is strictly

assessed on merit and economic circumstance of the awardee. In addition, the awardees are also introduced to the role and function of credit unions in the financial industry.

The bursary is named after Esmé Raphael, a stalwart of the credit union industry who has given over 50 years of sterling service, 20 of which have been contributed to VENTURE Credit Union.

Raphael continues to take an interest in the growth of young people and remains dedicated to the development of credit unions in Trinidad and Tobago.

VENTURE Credit Union has been donating to the UWI undergraduate scholarship and bursaries programme for the past 19 years and remains committed to providing students with the opportunity to pursue tertiary-level education, it was said in a release.
