

Government House — TRINIDAD

Did you know old  
Uncle Conrad also  
lived at Springfield  
Mass three years ago  
He was out here some  
time ago and we were  
just friends. Any calls  
will send me to long  
as they are good. Pretty  
women and fancy calls  
are a hindrance of them  
they don't come  
any more.
