

A large, clear plastic bag filled with dark brown, granular sugar. The bag is open at the top, and the sugar is piled high inside. A watermark is printed diagonally across the center of the bag. The watermark reads "Sugar Heritage Village" on the top line and "Trinidad & Tobago" on the bottom line. The sugar has a coarse, crystalline texture and a rich, dark brown color. The plastic bag shows some creases and reflections of light.

Sugar Heritage Village
